The Big Sing

Learn a Song with
Sonia Anderson
11.30am - 1.00pm

Ryan Morrison is an Australian singer-songwriter, choir leader and arranger. He grew up in Perth, and became drawn to harmony singing as a teenager. Over the years he has sung in some of the finest groups including Summerhouse, The Spooky Men of the West, and acclaimed Spooky Men's Chorale.

Sonia Anderson brings a decade of directing gospelish songs at choirs and festivals to Guildford Songfest. Sonia has a cheeky, unique style that makes everyone feel welcome and injects joy into the wonderful thing of a group sing. This workshop is your chance to ease into accessible harmonies, have a giggle and make some mighty uplifting music!
